

Equality & Diversity in Care Training (Standard 4 Care Certificate) - E-Learning

Course Aim

This online training course works alongside Standard 4 of the Care Certificate. It aims to promote equality and respect for diversity by offering delegates advice on understanding individuals needs with confidence.

The course aims to help delegates understand what prohibited behaviour is that it is unacceptable and against the law, how people can be at a disadvantage of not receiving an equal level care due to their background and culture, and how to show commitment to The Equality Act 2010.

Available in over 35 languages

Our courses are machine translated* into a variety of popular International languages, so regardless of location or language preference, we've got you covered. Our machine translated content includes the translation of course transcripts and test questions.

**Content which is not English may be machine translated and is for assistive purposes only. We cannot guarantee the accuracy of translations.*
