

## Award in Principles of COSHH - City & Guilds

### Course Aim

To provide delegates with an awareness and understanding of the legal requirements for working with hazardous substances; and the importance of the safe use and storage of hazardous substances in the workplace to reduce the risk to themselves and others.

This course introduces delegates to the inherent risks posed by hazardous substances and the controls available to assist them in the safer use of hazardous substances in co-operation with their managers and supervisors.

### Who Should Attend?

This course is for delegates who are responsible for the Control of Substances Hazardous to Health (COSHH) at work, as well as employees who use hazardous substances in manufacturing, cleaning, healthcare, transport, utilities and offices.

### Course Duration

This is a half day course.

### Certification

Delegates successfully completing the course will receive a City & Guilds Award in COSHH Principles.

### Agenda
